Dear Sir:

In the matter of the above-identified reissue application, Applicants note that the computer readable form of the Sequence Listing of the present application is identical to the computer readable form submitted in application Serial No. 08/084,848 on 15 April 1994. The present application is a reissue of application Serial No. 08/458,499, which is division of the '848 application. A statement in accordance with 37 CFR 1.821(e) was filed on 21 November 1997 in the '499 application to use the computer readable form submitted in the '848 application. In accordance with 37 CFR 1.821(e), please use this last-filed computer readable form filed in the '848 application as used in the '499 application as the computer readable form for the present application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the present application.

It is hereby certified that the content of the paper and computer readable copies of the sequence listing are identical.

RESPECTFULLY SUBMITTED,
